

July 2022

Dear Hyatts families,

It is my pleasure to welcome back students, parents, staff and our entire Hyatts community to another great school year ahead! We are looking forward to the 2022-2023 school year and all that it will bring for our school family. Our teachers and staff have been hard at work preparing our building, classrooms and lesson plans to fulfill our District's mission to facilitate maximum learning for every student. While it isn't quite time yet, please know we will be ready and waiting with enthusiasm in August.

Communication with our families is important to us and we have several places where you can find back-to-school information as well as gather pertinent information throughout the year. Please take a moment to familiarize yourself with these resources and bookmark or download them.

Website: Bookmark [Hyatts website](#). You will be able to retrieve building specific information here throughout the year. Additionally, you will find district-level news and contact information here.

OLSD App: If you have not already done so, please download the district's free mobile app, Olentangy Schools, at the Apple Store or at Google Play to stay connected with our schools. Once you download the app, select the school(s) you would like to follow and set push notifications. Doing so allows you to receive customizable news, calendars, and notifications including district and building level news on your mobile devices.

Schoology: Schoology is used for classroom level communication from teachers about assignments, activities, homework and other classroom events. Parents can also communicate with teachers directly through this system. Schoology may also be accessed through the district mobile app.

PowerSchool: PowerSchool is where parents will complete and update important electronic forms at the start of the year, pay fees, receive student grades and report cards and district-level reports and letters. The district's mass notification system is integrated with PowerSchool and the contact information provided on the emergency medical form, so please make sure your information is accurate and updated throughout the year. New families should opt into the district's text messaging service by texting YES to 87569.

Social Media: Twitter is used to share pictures and results from athletic events, school activities, and extra-curricular activities.

The district Facebook, Twitter, Instagram, LinkedIn, YouTube and podcast pages share what makes Olentangy unique and special. Follow social media here:

Facebook - www.facebook.com/olentangyschools/

Twitter - [@olentangysd](https://twitter.com/olentangysd)

Instagram - [@olentangylocalschools](https://www.instagram.com/olentangylocalschools)

LinkedIn – Olentangy Local School District

YouTube - www.youtube.com/user/OlentangySchools

Podcast - rss.com/podcasts/helloolentangy/

Possip: New to our middle and high school families this year, Olentangy Schools has partnered with a group called Possip to provide twice monthly “pulse check” surveys sent straight to your phone. The survey is only two questions with an option to provide additional feedback. Parent feedback can be seen by schools in a weekly report and trends on what’s going well and what families need can be identified. Look for examples of praise, appreciation, and feedback or questions and answers on our Hyatts website.

Understanding and using these communication tools is the best way to stay in the know about events and information for not only our school but all our Olentangy Schools.

As is the case with any new school year, we are welcoming some new staff members to the Hyatts team. Please join us in welcoming:

Matt King – 7th grade math

Taylor Harris – 7th grade math

Josh Flory – 8th grade science

Todd Helline – Math Specialist

Heather Dehn – Intervention Specialist

Caryn Martinez – Intervention Aide

Paul Woodruff – Intervention Aide

Mike Beck – Study Hall Aide

Additionally, some of our favorite familiar faces will be working in new areas. Please join me in welcoming these staff members to their new roles:

Greg Stevens – 8th grade math

Roscoe Holt – 7th grade math

Looking toward the start of another great school year, it is important to remember we want to give time for our students to gain some independence and build confidence in settling into their new school routines. We believe our students will be most successful if they are able to learn to take care of themselves and take pride in their independence. Thank you for partnering with us to build these skills in our students, your children.

Please note important times in the Hyatts Middle School Day:

Daily School Hours:

Building opens: 7:20am

Start of school bell: 7:35am first bell, 7:40am tardy bell

Dismissal: 2:45pm

Daily Office Hours: 7:20am- 3:15pm

School Supplies

If you pre-ordered your school supply kits from our PTO, they will be delivered to your home before the first day of school. Students do not need to bring all their school supplies in the first few days of school. Teachers will help them get organized in knowing what to bring to class to minimize the weight of their bookbags.

School Forms

All forms will be electronically provided in PowerSchool and should be filled out prior to the first day of school. The form of most importance is the Emergency Medical Form.

Please note these forms need to be filled out every year. We thank you in advance for your understanding and cooperation.

School Fees

Any past due school fees are available for online payment through the parent PowerSchool account, which can be accessed through the district website. This year's school fees will be payable through PowerSchool by the first week of September 2022.

Transportation

Contact the Transportation Department at 740-657-4080 with any questions about your child's bus, route or driver. Bus numbers and route information will be posted in PowerSchool no later than Thursday, August 11.

Absences

Parent/guardian must call the school, **740-657-5430** if his/her child will be absent, no later than 8:30 a.m. the day of the absence. A call may be made anytime and a voice message left. Please include the child's name, grade level, teacher's name, and reason for the absence. Upon the child's return, a doctor's note or note from parent is required.

Dismissal

All teachers and the main office must be notified of any changes to your child's normal dismissal plan. The child's normal dismissal plan will be followed without a note from a parent.

The students may:

- Ride the school bus or walk home
- Parent sign student out in the office
- Parent pick-up

Dates to mark in your calendar include:

August 11 – PowerSchool opens

August 12 – Open House **NEW** 7th and 8th grade students **ONLY**

August 12 – W.E.B. Orientation for 6th Grade Students **ONLY**

August 18 – First Day of School

August 31 – Curriculum Night

Parent/Teacher Conference Dates:

Wednesday, October 5th

Thursday, October 20th

Thursday, November 3rd

Thursday, February 2nd

Testing Dates:

Sixth Grade – February 22-March 3

Seventh Grade – April 5-May 8

Eighth Grade – April 5-May 8

As you begin to prepare for your own family's back-to-school routine, you may consider incorporating some of the following activities:

Sleep: Getting a good night's sleep is an essential key to a productive day for each of us. Establishing a school bedtime routine, a week or two before the beginning of school makes adjusting to the school year easier for everyone in your home.

Healthy start: Planning to start each day with a healthy breakfast helps ensure that your child has a great day at school and can focus on the day ahead.

Once again, we are excited for another year at Hyatts Middle School. If at any time you have questions or concerns about your child, please contact your child's teacher first and then our front office. I look forward to seeing all of you on our first day back to school, Thursday, August 18. If you have any questions you may contact me at derrick_gilliam@olsd.us or 740-657-5400.

Enjoy the rest of your summer!

#thehyattsway

Sincerely,

Derrick Gilliam
Principal
Hyatts Middle School
